INFORMATION

The Bath natural burial meadow is simply a field. Please note that there are no WC facilities. It is advisable to wear outdoor clothes and stout footwear. The ground is uneven and may be soft and possibly muddy during wet weather; the going will be "crosscountry" and there are no surfaced paths.

There is space for approximately 35 cars on reinforced-grass, double parking should be used to maximise the number of spaces available. There is some level parking reserved for the less able people. The burial ground is accessible to wheelchairs with all terrain capability.

To request a marquee, or to ask permission to erect a gazebo, contact the custodian.
